

# SERVICE COMPONENTS AND PRICING STRUCTURE

QUICKSLIDE FOR POWERPOINT

# Implementation phase

## ANALYSIS

We analyze your needs and advise you on how best to use QuickSlide, e.g. on roles and permissions.

## CUSTOMIZATION

QuickSlide is adapted to your requirements, taking into account your corporate-design and IT specifications.

## GRAPHICS PACKAGE

We create a graphics package with tailor-made slide templates and design elements.

## WEBINARS

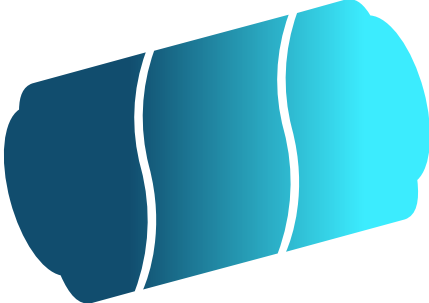

Launch is accompanied by webinars for users.

---

Prices are based on the individual adjustment and service requirements.

# Ongoing operation

## UPDATES

---

Our license models ensure our clients benefit from regular updates, maintenance, and a support package.

## FUTURE-PROOF

---

Microsoft Partner

Thanks to our partnership with Microsoft, we are able to gain early insights into new developments, and can further develop our software proactively.

## LICENSE PACKAGES

---

We offer license packages based on user numbers, or unlimited as business licenses.
