

Release Details 2021

Overview of changes in QuickSlide release 2021

New UI for SmartCharts and Waterfall Chart Assistant for improved usability

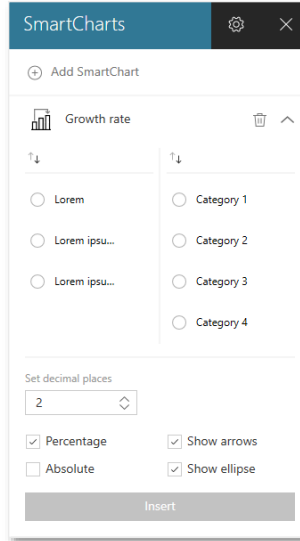

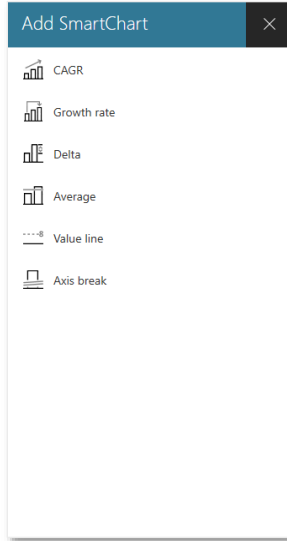

New functionality for SmartCharts

- SmartChart type “Axis break”:
cut axes, columns, bars, and lines to make PowerPoint charts easier to read
- CAGR, Growth rate, Delta and Average: adjust number of decimal places
- Stacked charts: show sum label for every category
- CAGR: show CAGR for sum values of stacked charts
- Stacked charts: show connectors
- Delta and Growth rate: display absolute and percentage value at the same time

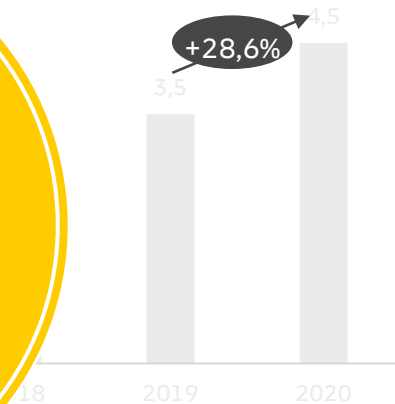

Optimized grid line functionality: QuickSlide grid lines are removed when saving the presentation (e.g. as a PDF file)

DPDHL customized extensions: new templates, additional icons, connection to the BrandHub directly from QuickSlide.

New interface for our SmartCharts-TaskPane

A new interface for the SmartCharts TaskPane allows you to insert SmartCharts into a chart with ease and offers new options.

New interface for our waterfall chart wizard

Waterfall chart wizard

Decimal places: 2 Design: Waterfall Standard 1

Insert data from clipboard

Start value	Change	Subtotal	Change	End value
Lorem ipsum	Lorem ipsum	Lorem ipsum	Lorem ipsum	Lorem ipsum
200,00	200,00	400,00	200,00	600,00

Insert

The new Waterfall chart assistant makes it easier to create waterfall charts, especially with data copied from Excel.

New SmartChart: Axis-Break

SmartCharts

 Add SmartChart

 Axis break

Primary axis

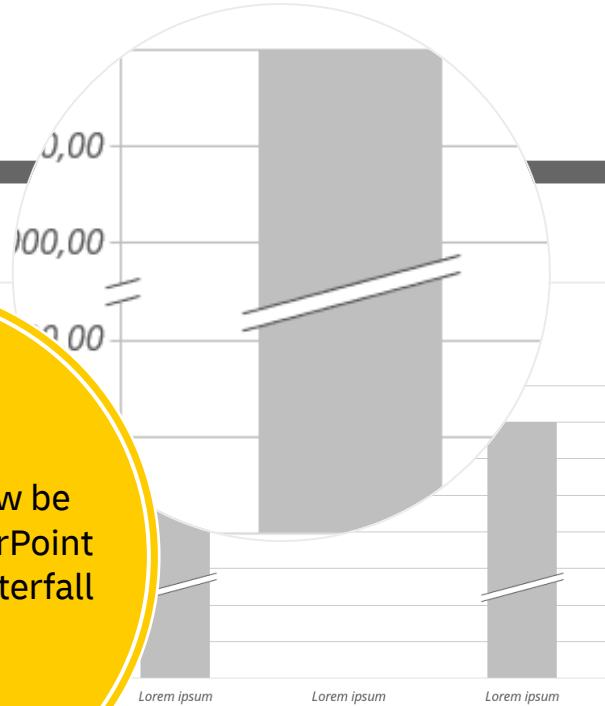

200

to

1000

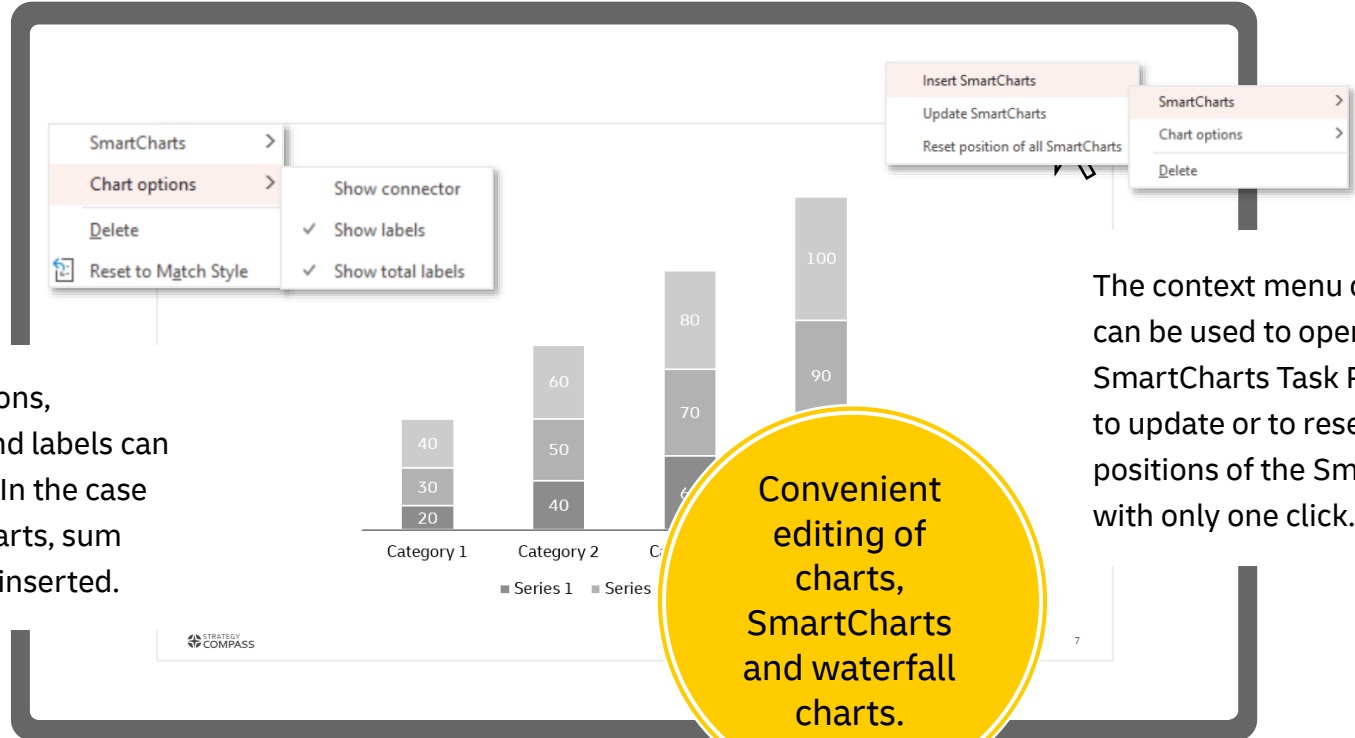

Update

Axis breaks can now be added to your PowerPoint charts, including waterfall charts.

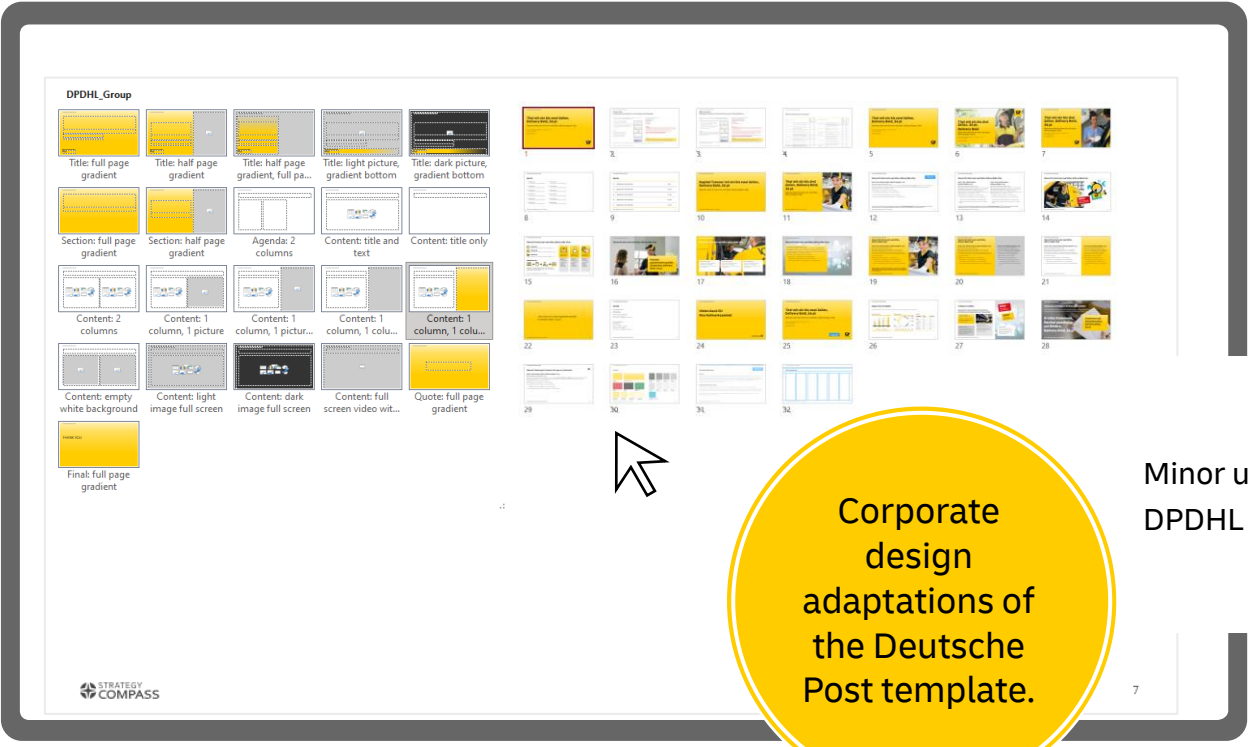

New context menu

Via chart options, connectors and labels can be displayed. In the case of stacked charts, sum labels can be inserted.

The context menu of a chart can be used to open the SmartCharts Task Pane, and to update or to reset the positions of the SmartCharts with only one click.

Template Updates

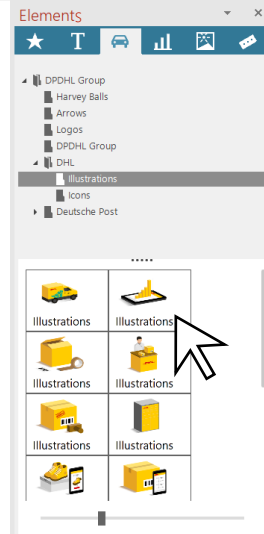

Minor updates on all DPDHL template

Expanded content

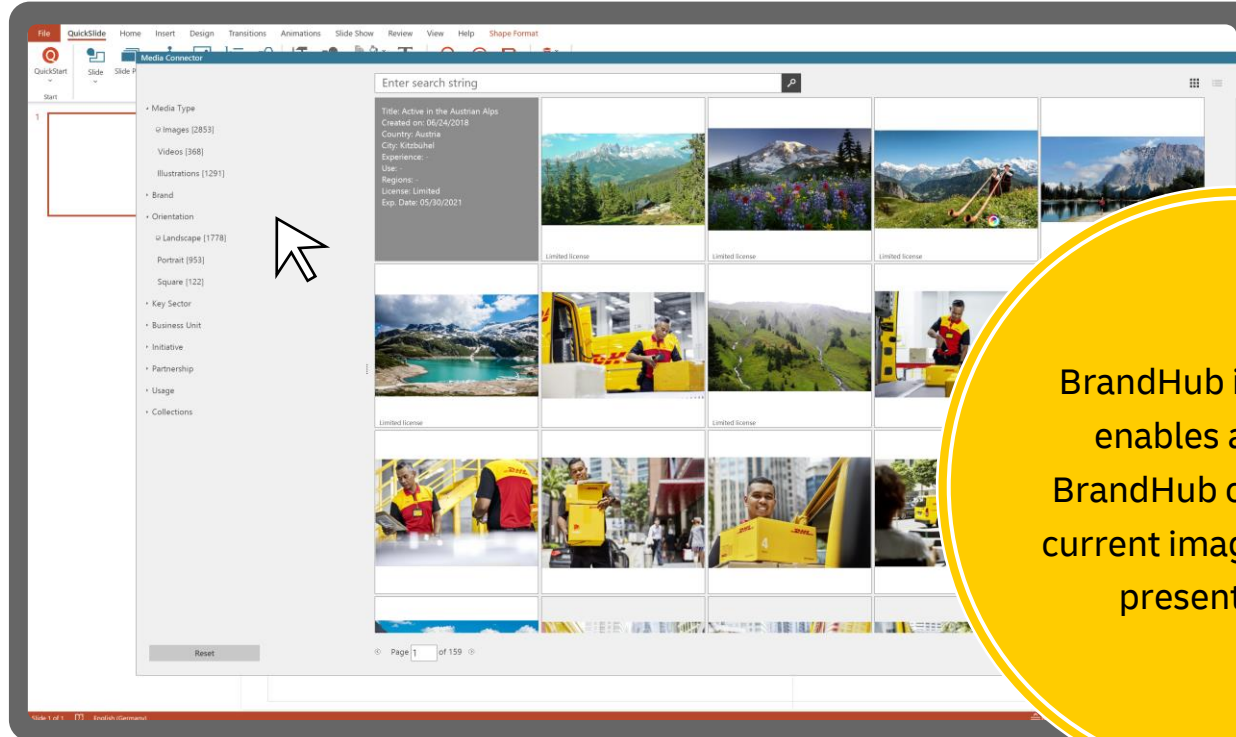

Title

A variety of new icons offers an even more diverse and suitable selection.

Media Connector
