Microsoft Partner

# The QuickSlide licensing system

## The basics:

**Includes customization of QuickSlide for your company**

.....

The setup is calculated as a one-time charge. This includes all costs up until the successful rollout:

- Consulting
- Graphics kit in your corporate design
- Software customizing
  - Adaption to your IT systems
  - Integration of your corporate design in all QuickSlide functions
- Communications package
- Introductory seminars/webinars

## Our subscription models:

**Includes updates, maintenance and support**

.....

### ➤ For teams and departments

Annual license by number of users.

### ➤ For company-wide use

Annual license for the entire organization based on the actual number of PowerPoint users. Additional workstations and user growth is covered by this.
